

# AZIENDA AGRICOLA PUSOLE

## PUSOLE BIANCO OGLIASTRA I.G.T.

### GRAPES

100% Vermentino

### PRODUCTION AREA

The vineyards are located close to the Mediterranean sea, on the central - East coast of Sardegna, in the province of Ogliastra. The predominant soil type is decomposed granite.

### VINIFICATION

Grapes were picked by hand and the alcoholic fermentation was started with a *pie de cuve*. It took place in stainless steel tanks without temperature control.

### AGEING

The wine refined in stainless steel tanks for 6 months for approximately 6 months.

Not filtered.
